

Crafters – On your mark, get set, GO!

The **full Harvest Sale** is set. Mark your calendars for **October 15, 2022.**

What does this mean? Right now, the church plans on holding both a take-out and an eat-in meal, an auction (items you crafters donate), a raffle for at least one queen/king quilt, and a bake sale (anything homemade – canned/freeze-dried/dehydrated food items, pies, cakes, cupcakes, cookies, chocolates, etc).

The money collected from the raffle goes to the Women's Fellowship. All other monies go to the General Fund.

There will be more information and meetings held the closer we get to the date. We will need many volunteers to help with this event.

The Harvest Sale Coordinators are:

Larry Cameron – head honcho

Sherry Harrison – in charge of getting volunteers and working the kitchen

Linda Blue – Kitchen

Sandy Kennedy – desserts
