## 📣 Volunteer Spotlight 📣

Meet Kyla! She is a college student studying medicine at Campbell University. She loves to inspire everyone at the Pantry to live healthier. Her hobbies are gardening, hiking, cooking and she likes to watch re-runs of her favorite show “Grey’s Anatomy”. Kyla enjoys working at the Pantry because she loves giving back to her Community.

## Pantry Needs

We are in need of certain cleaning supplies to keep the Pantry sanitized and remain a safe work environment for Volunteers. If you would like to help please donate items such as Paper Towels, Garbage Bags and Gloves during hours of Operation!

## Community Donations

We would like to everyone for their continued support with food during this Pandemic. Community Food

Drives from local Churches and other Organizations such as The Boy Scouts raised over 6,000lbs of food in the month of February.
